Dear trainer selection committee,

This letter is to support the application of Ms. [REDACTED] for the 2020 Thoroughbred Makeover. Ms. [REDACTED] has participated in the Makeover several times and retrained several Thoroughbreds retired from racing. She has the facilities and means to care for a Thoroughbred retired from racing and bring it towards a major competition in the time allowed for training for the 2020 Makeover.

Feel free to contact me with any questions or concerns.
